## Seyun Jeong

[Home](#)[About](#)[Blog](#)[Resume](#)

## Introduction → 자기소개, 학역응이 정보 + 사진 정보

→ \*\* Jeong Seyoon \*\* 로 Bold 사용

Hello, my name is Jeong Seyoon.

I am 22 years old. My hometown is **Ilsan** and I live alone around the school.

I entered **Sungkyunkwan University** in 2020.

I went to the army and now I am in the second grade.

## Skills

→ 보유했던 언어 다 안아가고 있는 것들에 대해서

The languages I have are **C language and Java**, and I am learning various other languages such as **Linux commands and Bash** through open source classes this semester. It is still the first semester of the second grade, so I lack knowledge and experience in my major, but I want to build up a lot of experience and knowledge by working hard in school life in the future.

classes this semester. It is still the first semester of the second grade, so I lack knowledge and experience in my major, but I want to build up a lot of experience and knowledge by working hard in school life in the future.

## Education → 교육 전공과목을 다니면서 수강했던 과목을 나열

Divide the subjects you have taken so far into two categories

### Major subjects

← 컴퓨터개론, 자료구조개론, 프로그래밍기초와실습, 공학컴퓨터프로그래밍

### Liberal arts subjects

↖ 영어쓰기, 일반화학1, 미분적분학1, 창의적융합디자인, 확률및통계, 선형대수학, 고전명저복습

## Achievements and Certifications → 성과 및 인증 어리만 아직 2학년 1학기여서 4년, 군대에서 의 성과나 열적 사열

2020학년도 수능 수학 100점과 당시 수시 논술 4관왕

군대에 있을 당시 족구대회 우승

Except for the above case, I don't think I have any significant achievements or certification.

Therefore, I will talk about my future goals In the future, I will meet a good relationship at university and have many experiences through external activities such as competitions.
